# Worktops 2.5 Decor Overview

# Decor range

Our compact laminates are crafted to blend style with durability, offering a refined palette that complements any kitchen design.

With 10 carefully selected decors in sophisticated tones from the Uni and Material collections, each option brings understated elegance to your space. Available in a curated selection of surface finishes – either the subtle texture of FH or the elegance of SX – these worktops are designed to meet both aesthetic and functional needs.

Each decor also features predefined colored core combinations, offering a seamless design that adds depth to your worktop. Whether you prefer minimalist or textured styles, our decor range delivers the perfect balance of form and function.

## FH Feinhammerschlag (Fine Hammered)

FH Feinhammerschlag is versatile and therefore one of the most popular surfaces. It visually blends subtly into its surroundings, is resistant, and easy to clean.

## SX Saxum

The deeply structured surface makes elegant stone formations tangible. The matte finish has an anti-fingerprint effect.
